2. Communicating goals
    1. Did you discuss the milestones and deliverables (noted in the Project Timeline) with team members?

3. Did you delegate tasks (described in the Timeline) to team members?

 Yes, I am completing the entire front end. Avi is going to get the API to work then help me finish the front end. Alyssa is going to get out database up and running.

4. Did you moderate meetings/discussions?

Yes, we communicated what we need to do in order to get this project done in time for our presentation.

5. Any contributions to problem solving?

I gave resources to Avi to look at since the API was not working.

6. Did you coach to improve team member skill sets?

Yes see above.

7. How did you motivate team members to accomplish their goals?

We are on a timeline and I reminded them of that

8. Reporting group progress to the TAs and Instructor
9. Submit weekly progress report via Canvas
